11. The Parties recognize that the market price when delivery is required under this Contract may differ substantially from the Contract price and each Party agrees not to assert such a difference as an excuse for non-performance hereunder or as a defense against damages for failure to perform in whole or in part.

This amount to be refunded will be equal to the decline in the market in order to maintain the margin to the market as agreed upon in this Contract. Buyer may request payment, which is due upon receipt.
