

## CLEAN SUGAR SALE TERMS AND CONDITIONS

1. **"Seller"** means Green Plains Trade Group LLC or the Green Plains entity identified in the applicable documents accompanying these Clean Sugar Sale Terms and Conditions ("**T&Cs**"). **"Buyer"** means the individual, corporation or other entity that has agreed to buy the commodity ("**Product**") pursuant to these T&Cs. Buyer and Seller individually may be referred to as a "**Party**" and collectively, the "**Parties**."
2. All purchases of Product are subject only to these T&Cs, along with any other Seller-generated documents (including the Contract Confirmation) attached to or referenced herein, which collectively comprise the Parties' entire agreement (the "**Contract**"). This Contract supersedes all prior negotiations and understandings of the Parties and contains the complete and final agreement between Seller and Buyer concerning the subject matter hereof and no other agreement in any way modifying any of the said terms and conditions will be binding upon Seller unless made in a writing specifically referring to this Contract and signed by Seller's authorized representative.
3. If no objection is made to this Contract within two (2) business days, the Contract will be considered final and accepted by Buyer. Any controversies hereunder shall be settled by arbitration. The arbitration rules of the American Arbitration Association ("**AAA**") shall be applied in said arbitration, arbitration shall be conducted in Douglas County, Nebraska, and the arbitration decision/award shall be final and binding upon the Parties. If AAA rules are determined to be unenforceable by a court of competent jurisdiction, this Contract shall be governed by the laws of the State of Nebraska and the Parties agree to exclusive jurisdiction in the courts of Douglas County, Nebraska.
4. Buyer shall be deemed to have accepted the Product sold hereunder unless Buyer rejects within twenty-four (24) hours of its receipt of the certificate of analysis ("**COA**"). If Buyer discharges the Product prior to receipt of the COA, Buyer will be deemed to have accepted the Product and shall be responsible for any damages as a result of the Product not meeting the specifications. Seller's origin weights and measures are to govern in any dispute or settlement thereof.
5. Buyer has a duty to notify Seller of the correct legal entity to be identified on the Contract. By signing below, and/or performing under this Contract, Buyer (a) certifies the legal entity identified on the Contract is correct, and (b) agrees to provide documentation verifying the legal identity of Buyer upon Seller's request. Buyer represents and warrants that he/she is duly authorized and has legal capacity to execute and deliver this Contract on behalf of the legal entity identified on the Contract.
6. **Seller Warranties.** Seller warrants that Product delivered under this Contract: (a) meet Seller's specifications in accordance with the Seller's Contract description; (b) are of the grade indicated by Seller in the Contract; (c) will be free and clear, from and after time of delivery, of any security interest, lien, claim or encumbrance; and (d) that Seller has good and merchantable title thereto. Seller agrees that should any lien, security interest or encumbrance be claimed against any Product sold hereunder, Seller will promptly cause the same to be discharged and terminated. **THIS WARRANTY IS BUYER'S EXCLUSIVE REMEDY AND IS IN LIEU OF ALL OTHER WARRANTIES, COVENANTS OR REPRESENTATIONS. SELLER MAKES NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, WHICH EXTEND BEYOND THOSE SPECIFICALLY STATED IN THIS PARAGRAPH. THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE IS HEREBY DISCLAIMED. IN NO EVENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL SELLER BE LIABLE FOR SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL DAMAGES (INCLUDING ANY LOST PROFITS) OR FOR SPECIFIC PERFORMANCE.** Buyer must assume all risk and liability for results of Buyer's use of the Products. Seller's liability shall in no event exceed the purchase price of the Products. All claims, including but not limited to claims for alleged shortage or claims that the Products do not meet the warranties set forth above, shall be deemed waived unless provided by Buyer in writing and received by Seller within forty-eight (48) hours after Buyer learns of the alleged non-conformance or Buyer should have learned of the alleged non-conformance through timely inspection and application of good manufacturing standards, but in no event later than thirty (30) days after the time of Seller's tender of said Products to Buyer. All claims for non-conformance must be accompanied by Product samples sufficient for testing.
7. **Remedies.** In addition to Seller's remedies under the Uniform Commercial Code (UCC), in the event Buyer defaults on this Contract in any manner, Buyer shall be liable to Seller for all losses and damages including consequential damages, incidental damages and any lost profits incurred as a result thereof, and Buyer shall also pay any related reasonable attorneys' fees of Seller. Seller, at its option, may: (a) resell the Product in the open market and Buyer shall pay any loss or incidental expenses resulting therefrom; (b) require Buyer to pay the difference between the Contract price and the price on the date of Buyer's default; or (c) Seller may, without further obligation, cancel this Contract in its entirety. Seller may pursue any remedy available to it hereunder, at law, and/or in equity.
8. **Default.** Buyer shall be in default upon: (a) failure or refusal of Buyer to comply with any provisions hereof; (b) failure or refusal of any third party to issue, advise, confirm, negotiate, extend or reissue any letter of credit or other arrangement provided for hereunder; (c) Buyer or any third party that issues any letter of credit or other arrangement hereunder (i) becomes impaired or unable to fulfill its financial responsibilities in the reasonable judgment of Seller, (ii) becomes unable to pay its debts as they become due, (iii) files

a voluntary petition or is declared bankrupt or insolvent, or (iv) makes a general assignment for the benefit of creditors; or (d) has a trustee, receiver or liquidator appointed for any material portion of the assets of Buyer. Upon the occurrence of any such event of default, Seller may exercise any or all rights and remedies hereunder, at law, and/or in equity, including but not limited to withholding delivery of the Product sold to Buyer hereunder.

9. In the event either Party breaches this Contract in any manner, all amounts owed by the breaching Party may be applied and otherwise setoff against the payment of the amounts owed to the breaching Party, in addition to any and all other rights and remedies available hereunder.
10. If there is an event of default or a material change in Buyer's financial condition, Seller may demand adequate assurances of Buyer's ability to perform.
11. If more than one Buyer contract with Seller is open, shipments are to be applied on contracts in order of each contract's delivery date, beginning with the oldest contract. This Contract shall not be deemed completed until all shipments are received, graded and weighed in accordance with the delivery terms on the face hereof.
12. The Parties recognize that the market price when delivery is required under this Contract may differ substantially from the Contract price, and each Party agrees not to assert such a difference as an excuse for non-performance hereunder or as a defense against damages for failure to perform in whole or in part.
13. In the event there are material changes in business, economic or physical conditions, exchange rates or other circumstances, whether foreseen, foreseeable or unforeseen, which materially increase the cost to Seller in producing or selling the Product, Seller may terminate this Contract without liability or penalty upon thirty (30) days prior written notice to Buyer. During such notice period, the Parties will consult with each other on possible modifications to this Contract considering the increased costs incurred by Seller resulting from such material changes. Upon expiration of such notice period and unless the Parties have agreed in writing on an amendment to this Contract, this Contract shall terminate and neither Party shall have any liability to the other arising out of or relating to such material changes or the termination of this Contract.
14. Buyer agrees to use Product only for Buyer's end-use applications and not resell or distribute Product for resale without the express written consent of the Seller. Buyer is liable to Seller for any damages arising from any unauthorized use of Product. Unauthorized use includes, without limitation, adulteration of any manner, contamination that occurs while Product is under the supervision and/or control of Buyer, and the use, resale, or distribution for resale of any Product that is beyond the Product's stated shelf life.
15. **Forward Contract.** It is agreed that this Contract is a "Forward Contract" and the Parties are "forward contract merchants" as defined in the Bankruptcy Code (11 U.S.C. Sec 101(25)). If one Party (the "**Defaulting Party**"): (a) files a petition in bankruptcy, reorganization, or receivership; (b) becomes insolvent or incapable of paying its debts as they become due; or (c) makes a general assignment for the benefit of creditors; then the other Party (the "**Liquidating Party**") shall have the immediate right, exercisable in its sole discretion, to liquidate this Contract and all other forward contracts (as defined in the Bankruptcy Code) then outstanding between the Parties (whether the Liquidating Party is seller or buyer thereunder) by closing out all such contracts at the then-current market prices so that each contract being liquidated is terminated except for the settlement payment referred to below. The Liquidating Party shall calculate the difference, if any, between the price specified in each contract so liquidated, and the market price for the relevant Product as of the date of liquidation (as determined by the Liquidating Party in any commercially reasonable manner), and aggregate or net such settlement payments, as appropriate, to a single liquidated amount. Payment of said settlement payment will be due and payable within one (1) banking day after reasonable notice of liquidation. This is in addition to any other rights and remedies which the Liquidating Party may have.
16. **Railcars.** Railcars must be loaded to capacity in accordance with applicable railroad rules. Buyer will not divert Seller's or its agents' railcars or consign them to any other routing or to any other destination than that set out in the Contract or the bill of lading instructions without Seller's prior written consent. All diversion charges, additional freight charges and any other costs or expenses incurred, sustained or paid by Seller resulting from any diversion shall be the responsibility of the party requesting such diversion. Unless otherwise provided in the Contract, Seller will allow Buyer a period of five (5) days free demurrage for off-loading railcars from time of constructive placement until empty release. For railcars held beyond five (5) days, Buyer will be charged \$100.00 per railcar per day until empty release. Demurrage charges will be invoiced to the Buyer at end of each month and are payable upon receipt.
17. **Force Majeure.** Neither Party shall be liable to the other to the extent of any delay or failure in performing its obligations under the Contract if neither the fault nor the negligence of such Party or its employees or agents contributed to such delay or failure, and the delay or failure is proximately caused by acts of God or the public enemy, government restrictions, regulatory action, cyber or ransomware attacks, natural disasters, fires, floods, tornados, earthquakes, epidemics, quarantine restrictions, freight embargoes, plant breakdowns, war, invasion, hostilities, terrorist acts or industrial disturbances (each, a "**Force Majeure Event**"). A Party's economic hardship, labor difficulties or changes in market conditions are not considered Force Majeure Events. A Party affected by

a Force Majeure Event shall promptly notify the other Party in writing thereof, with such Notice detailing the reasons for the delay or failure resulting from the Force Majeure Event and such affected Party's estimated timeline of when the delay or failure will be corrected. Such affected Party shall be solely responsible for undertaking commercially reasonable measures and best efforts to minimize any adverse impact to its performance under the Contract resulting from such Force Majeure Event and to resume performance as soon as practicable under the circumstances.

18. **Consent to Call Recording; Electronic Records.** The Parties consent to: (a) the recording of all telephone conversations and electronic communications between representatives of the Parties; (b) the original Contract and/or transaction confirmation relating to any transaction between the Parties may be converted to and saved in electronic format; and (c) the admissibility of any such recording or electronic copy in any judicial, arbitration, administrative or other proceeding involving the Parties to the extent such objection is based on any rule of evidence that requires authentication or identification of a document, requires an original document or governs the admissibility of duplicates. In addition, each Party acknowledges that any such recording or electronic copy is a business record within the business record exception to the hearsay rule under the applicable rules of evidence.
19. **Liability.** Buyer shall be liable to Seller for any damage to property, where and to the extent such loss, damage is the result of Buyer's (or its agent's) negligence or willful misconduct. Buyer agrees that in case of any such loss or damage, the value of such property and the liability of Buyer shall be the fair market value of such property or the reasonable cost of repair, whichever is less.
20. Any invoice disputes, including the quantity of any Product delivered, shall be waived unless submitted by Buyer to Seller in writing together with supporting documentation and reasonable details of the facts on which the claim is based, within sixty (60) days from the date of delivery. The delivery date shall be determined by the bill of lading or other shipping document as appropriate for the delivery method.
21. **Insurance.** To the extent Buyer, its employee(s), agent(s) or contractor(s) has trucks on Seller's property, Buyer or its agent shall maintain at all times the following insurance coverage: (a) Commercial General Liability insurance, with no less than of \$1,000,000 per occurrence and \$2,000,000 in the aggregate; (b) Auto Liability insurance with not less than \$1,000,000 combined single limit; (c) Cargo insurance with a limit of not less than \$15,000; and (d) if applicable, Workers' Compensation insurance in an amount satisfying the applicable statutory minimum coverage levels and Employer's Liability insurance with no less than \$1,000,000 bodily injury/by accident/each accident; \$1,000,000 bodily injury/by disease/each employee, and \$1,000,000 bodily injury/by disease/policy limit. To the extent allowed by law, the policies shall include a waiver of subrogation rights against Seller and Buyer shall identify Seller as an Additional Insured on all coverages except Workers' Compensation. Buyer shall provide certificates evidencing the required insurance is in force and shall email certificates of insurance to Green Plains at: insurance.certificates@gpreinc.com. Any coverage provided by Buyer is considered to be primary and non-contributory to any insurance maintained by or on behalf of Seller. Buyer shall provide Seller with thirty (30) days prior written notice of policy cancellation. Buyer agrees to indemnify and hold Seller harmless for any loss or expense incurred as a result of Buyer's failure to ensure its agent(s) or contractor(s) obtains and maintains the insurance coverages required herein.
22. **Indemnification.** Buyer shall indemnify and hold harmless Seller from and against all claims, demands, causes of action, damages, suits, costs of suits, losses or expenses, including Seller's reasonable attorneys' fees and court costs, arising out of or in any way connected with (a) Buyer's breach of this Contract, including breach of any Buyer representation or warranty; or (b) Buyer's or its representatives' presence on Seller's property, including any alleged negligent and/or fraudulent acts or omissions of Buyer and/or Buyer's employees, agents and contractors resulting in property damage or personal injury, including death.
23. **Confidentiality; Non-disclosure.**
  - a. **"Confidential Information"** means any information or compilation of information concerning the business of Seller that is provided, whether in oral or written form, to Buyer in connection with the purchase and sale of Product hereunder, and includes, without limitation, pricing and payment terms, supplier contact and identifying information, customer contact(s) and identifying information, current and anticipated supply requirements, and banking and other financial information, including account information. 26. **Miscellaneous.** This Contract shall be binding upon the heirs, administrators, and assigns of the Parties. This Contract cannot be assigned by Buyer without the prior written consent of Seller. However, Seller may assign the Contract without the consent of Buyer. The waiver of any of the terms of this Contract will not be a waiver of any subsequent failure to comply fully with or perform under this Contract. In compliance with Title VII-Wall Street Transparency and Accountability Act of 2010 (Dodd-Frank), each of the Parties represents to the other that it (a) has the capacity to make or take delivery of the Product in the ordinary course of its business and is entering this transaction in connection with its business, and (b) intends to make or take physical delivery of the Product. The invalidity or unenforceability of any particular provision of this Contract shall not affect the remaining provisions thereof, and this Contract shall be construed in all respects as if such invalid or unenforceable provision had been omitted. Buyer warrants it has read this Contract in its entirety and understands its terms and legal effect.
